

Curriculum Vitae & Publication List

Dr. Gertrude Saxinger

(formerly: G. Eilmsteiner-Saxinger)

Assistant Professor (“Universitätsassistentin”)/Anthropology

Universitaetsstrasse 7/C412, A-1010 Vienna, Austria

Gertrude.Saxinger@univie.ac.at

T +43 6602118551

ksa.univie.ac.at/institut/mitarbeiterinnen/post-docs/saxinger-gertrude

polarresearch.at/faculty/group-eilmsteiner-saxinger

Current research interests

- Natural resources and extractive industries
- Community-extractive industry relations
- Remote regions, regional and urban development (sparsely populated areas, mono-industrial towns)
- Infrastructures and the built environment, human-environment relations
- Labour studies, fly-in/fly out shift work, long-distance commuting (FIFO, LDC)
- Mobility/multi-locality/migration studies, social spaces and places, temporality
- Indigenous cultural revitalization and indigeneity
- Cartographic storytelling for analysis and outreach & visual Anthropology
- Post-socialism, gender and diversity/intersectionality studies, political economy

Regional focuses

- Circumpolar North/Arctic (focus: Canada, Russia), Australia (comparative aspects of remote regions/mining)
- Previously: regional planning and development in Northern Pakistan

Research and work background

Since 2013	Assistant Professor at the Department for Social and Cultural Anthropology, University of Vienna, AT
Since 2015	Adjunct faculty member at the Yukon College/Yukon Research Centre, Whitehorse, CAN
Since 2014	Faculty member of the Austrian Polar Research Institute (APRI)
August 2018	Summer Course, University of Groningen, NL, “Land Acquisition, Resettlement and Social Sustainability – Mozambique”
2012 – 2014	Completion of the Pan-Arctic Ph.D program Extractive Industries, University of the Arctic
2013	Ph.D. in Social and Cultural Anthropology, University of Vienna, Topic: Mobile lives of long-distance commuters in the Northern Russian petroleum industry, AT
2012 – 2013	Scientific collaborator at the Institute for Urban and Regional Research (ISR) at the Austrian Academy of Sciences, AT
2010 – 2012	Scientific collaborator at the Department for Geography and Regional Research at the University of Vienna, AT
Since 2011	Freelance Quality Management-auditor for <i>wien-cert</i> certificate, ÖIBF – Austrian Institute for Educational Research, Vienna, AT
2008 – 2010	Affiliate researcher with BOREAS MOVE-INNOCOM: Assessing senses of place, mobility and viability in industrial northern communities, project leader: Prof. Florian Stammer; Arctic Center Rovaniemi, University of Lapland, FI
Since 2008	Lecturer at the Department for Social and Cultural Anthropology, University of Vienna, AT
2006 – 2008	Teaching Assistant at the Department for Social and Cultural Anthropology, University of Vienna, AT
2006 - 2014	Freelance Quality Management-auditor for <i>EBQS</i> certificate, IBE - Institute for Vocational and Adult Education Research at the Johannes Kepler University, Linz,

	AT
2004	Magistra (MA) in Social and Cultural Anthropology, University of Vienna, Topic: Systems of inequalities: life plans and future perspectives among students at universities in Moscow, AT
2003-2004	Scientific collaborator with Europaforum Wien, focus: applied research into policies and regional development in the context of post-socialist neighboring countries/CEE of Austria, feminist studies in CEE, AT
2002	5 months Joint Study program at the Russian State University for Humanities (RGGU), Moscow, RF
2000-2002	Studies into Spatial Planning and Regional Development at the Vienna University for Technology, AT (including 1 month field work in Northern Pakistan), AT
1998-2004	Studies into Social and Cultural Anthropology, University of Vienna, AT
1995-1998	Studies into Business Administration, Johannes Kepler University Linz, AT
1992-1993	6 months studies of Italian language at the Università per Stranieri di Perugia, IT
2000-2003	Editor at the Austrian Broadcasting Corporation ORF radio (danube dialogue, milena: the women´s magazine for CEE and Ö1 [main Austrian radio program]), AT
2000-2001	Editor at Radio Africa at Radio Orange, AT
1993 – 1998	Pre-university career: industrial textile engineering in South-East Asia (1993-1995) and stage costume design/production for theatres in Austria (1995-1998)
1992	Completion of the Fashion and Textile Technical Highschool in Linz, AT

International Fellowships

2018	1.5 months research fellowship at the Scott Polar Research Institute at the University of Cambridge, UK
Since 2015	Adjunct Researcher at the Yukon Research Centre/Yukon College, Whitehorse (CAN)
2012	1.5 months research fellowship at Macquarie University, Sydney and Charles Darwin University, AUS (funded by the University of Vienna)
2008	3 months research fellowship at the Tyumen State University in Novy Urengoy, RUS (funded by the Austrian Research Association ÖFG)

Teaching at the University of Vienna

Since 2008 annually

- Lectures in (history of) anthropological theory and methodology in Anthropology (apx. 350 students per semester), BA

Since 2013 annually

- Various seminars in scientific working and writing & methods in social sciences with a focus on Anthropology, BA
- Seminar in core readings in Anthropology: selected theoretical and ethnographic literature covering classic and current debates in Anthropology with interdisciplinary aspects, BA

Since 2016

- Various seminars on the overall topic of environment, social dimensions of natural resources, legal implications and indigenous rights, MA

2017

- Seminar: “Anthropology in Practice”: Applied seminar for students who produce information brochures on religious and social practices in asylum seekers’ sending regions as well as information brochures on Iraq, Afghanistan, Somalia, and Syria. Target group voluntary care workers for asylum seekers in Austria, MA

2016

- Lecture: “Arctic and Subarctic – Middle Ages to 21st century”, BA/MA

2016

- Lecture for the MA program Interdisciplinary Eastern European Studies, Uni Vienna

2015 and 2017

- Lectures at the Centre for Canadian Studies, Uni Vienna

2017 and 2018

- Seminars on human mobility and migration through multilocality, place, space and time”, MA

2018

- Seminar: “Visual Anthropology in theory and practice”, MA

International teaching

- 2017/2018 seminar for BA on “Extractive industries and society”, University of Heidelberg,

Department for Ethnology, GER

- 2017 Interdisciplinary Ph.D. school “Innovating Interdisciplinary Approaches and Methods in Arctic Research”, University of Oulu, FI
- 2017 *Erasmus* teaching visit at Maynooth University, Department for Anthropology, GB
- 2018 *Erasmus* teaching visit at St. Andrews, Department for Anthropology, GB

Supervision, mentoring & research teams

- Formal **Ph.D** co-supervision
Elisabeth Öfner, MA, **Anthropology**, University of Vienna: *The effects of long-distance commute work on social relations: A comparative analysis in the Republic of Bashkortostan*, main supervisor Peter P. Schweitzer (completed 2017)
Susanna Gartler, MA, **Anthropology**, University of Vienna: *Finding fortunes underneath and on the land – Na-Cho Nyäk Dun First Nation ‘cultural revival’ in the context of neo-extractivism*, main supervisor Peter P. Schweitzer
- Formal **MA** supervision
Marlies Madzar, BA, **Anthropology**, University of Vienna: *Tourismus – Landschaft – Mensch (Tourism, landscape, people: tourism development in Pyhrn Eisenwurzen Region in Austria)*.
- Formal **MA** co-supervision
Gertraud Illmeier, MA, **Anthropology**, University of Vienna: *The way to work: mobility inequality in the context of community participation into the petroleum industry in Siberia’s BAM region*, main supervisor Peter P. Schweitzer
Lis Kayser, BA, **Anthropology**, University of Vienna: *Cleaning up the streets of Kigali The interaction between the Rwandan government and Kigali’s residents in the cleaning up of the country’s capital*, main supervisor Peter P. Schweitzer
Claudia Carpanese, BA, **Anthropology**, University of Vienna: *Lithium Mining in Bolivia*, main supervisor Peter P. Schweitzer
- Formal **BA** supervision (main)
Elena Huhn, **Anthropology**, University of Heidelberg, GER, *Rohstoffindustrie in Kanada – Impact and Benefit Agreements als Lösungsansatz für soziale Ungleichheit indigener Völker?* Co-supervision: Prof. Guido Sprenger
- Informal **Ph.D** co-supervision
Tara Cater, **Geography**, Carleton University, CAN: *Exploring Resource Development-Related Migration in the Kivalliq Region, Nunavut*, main supervisor Emelie Cameron
Jose Miguel Roncero, **Political Sciences**, University of Vienna: *Security and Cooperation in the Arctic: Threats, Perceptions and Discourses for Small Arctic States*, supervisor Paul Luifmain
Elena Nuykina, Ph.D, **Geography**, Department for Geography and Regional Research, Uni Vienna: *Making a viable city: visions, strategies and practices*. (completed 2014), supervisors Heinz Fassmann and Florian Stammmler
- Informal **BA** co-supervision
Linn Sükar Kogler, **Anthropology**, University of Vienna: Mining communities
- Mentoring of PhD students in the framework of the Arctic FROST network and VASS – Vienna Arctic Summer School
- See details on my APRI research group “Social and Cultural Systems”: <http://www.polarresearch.at/faculty/group-eilmsteiner-saxinger/>

Prizes

- | | |
|------|---|
| 2007 | Dissertation Prize in Migration Studies, Austrian Academy of Sciences, AT |
| 2014 | Dissertation Recognition Award of the Dr. Maria Schaumayer Stiftung, AT |

Grants

- | | |
|------|--|
| 2010 | Stand-alone author of grant proposal and research team lead: Austrian Science Fund (FWF) [P 22066-G14] “Lives on the Move – Vakhtoviki in North Western Siberia, Republic of Komi and Republic of Bashkortostan”, PI: Heinz Fassmann, AT (2010-2015), Department for Geography and Regional Research at the University of Vienna and Institute for Urban and Regional Research at the Austrian Academy of Sciences, AT |
|------|--|

2010	12 months Ph.D. Research Stipend, University of Vienna, AT
2014	Principal Investigator and stand-alone author of grant proposal: ReSDA/SSHRC (Social Sciences and Humanities Research Council of Canada) & Yukon Government: “LACE – Labour mobility and community participation in the extractive industries – Yukon”, partners: University of Vienna, Lakehead University (ON) and Yukon College (YT), CAN (2014-2017), co-PI Chris Southcott
2015	Co-author of grant proposal and scientific collaborator: Austrian Science Fund (FWF) [P 27625]: “CoRe – Configurations of Remoteness: Human entanglement with transport infrastructure”, project leader: Peter Schweitzer, AT (2015-2018)
2016	Peer reviewed book publication grant for Gold Open Access, Austrian Science Fund [FWF], http://www.boehlav-verlag.com/download/164125/978-3-205-79694-7_OpenAccess.pdf Unterwegs. Mobiles Leben in der Erdgas- und Erdölindustrie in Russlands Arktis / Mobil'nyy obraz zhizni vakhtovykh rabochikh neftegazovoy promyshlennosti na Russkom Kraynem Severe / Lives on the Move – Long-distance Commuting in the Northern Russian Petroleum Industry. With a summary in Russian and English. Wien, Weimar, Köln: Böhlau, pp. 206.
2017	Principle Investigator and stand alone author of the grant proposal: ReSDA/SSHRC (Social Sciences and Humanities Research Council of Canada): “The Mobile Workers Guide – a ReSDA community outreach activity” University of Vienna, Lakehead University (ON) and Yukon College (YT), CAN (2017-2018), co-PI Chris Southcott

Other international project affiliations

Since 2015	HuSArctic – Human Security as a promotional tool for societal security in the Arctic”, Arctic Centre in Rovaniemi, Finland. Funded by the Academy of Finland, duration 2015-2018, project leader: Dr. Kamrul Hossain
Since 2015	EU PolarNet – Science for Society (Horizon 2020), duration 2015-2020, AWI, Alfred Wegener Institute, GER, duration: 2015-2010, project leader: Dr. Karin Lochte

Stipends

2009-2010	Various stipends for conference participation by University of Vienna, Austrian Research Association (ÖFG), National Science Foundation (NSF), Austrian Polar Society, APECS
2007	Research Support Stipend (1 year research funding), University of Vienna, AT
2003&2008	Stipend for Short-term Scientific Research in Russia (KWA), University of Vienna
2002	Five months Joint-Study Stipend University of Vienna for field research and studies in Moscow (RGGU), RF
2001	Stipend for Short-term Scientific Research in Pakistan (KWA), University of Vienna (for research into regional development in Northern Pakistan in collaboration with the University of Peshawar)
1999-2000	Stipends for excellent performance, University of Vienna, AT

Reviewer

- NordForsk Funding Agency of the Nordic Council of Ministers: review of the Nordic Centre of Excellence (NCoE) call 2016
- Fennia – International Journal of Geography, Polar Science Journal, Polar Journal, Polar Geography Journal, The Extractive Industry and Society Journal, Energy Research & Social Science Journal, Barents Studies Journal, Migration Letters Journal, International Journal of Environmental Research and Public Health, Sibirica Journal

Administrative functions at the University of Vienna

- 2014-2016 Member of the Curriculum committee for MA in Eastern European Studies
- Since 2015 Member of the Faculty Commission at the Faculty of Social Sciences
- Since 2016 Member in the Search Committee for the Professor Chair in Global Studies at the Department for Social and Cultural Anthropology

International academic functions

- 2014 to 2020 Council member of IASSA (International Arctic Social Sciences Association) iassa.org
- Since 2016 member of the Policy Guidance Panel (EU PolarNet) for consulting the European Commission on Polar research matters
- Since 2016 vice general secretary and board member of the Austrian Polar Research Institute (APRI) polarresearch.at
- Since 2011 co-spokesperson/since 2015 spokesperson of the RG Circumpolar and Siberian Studies at the German Association of Anthropologists (DGV) dgv-zirkumpolar-sibirien.jimdo.com
- Since 2017 coordinator of the IASSA Working Group "Gender in the Arctic" gender-arctic.jimdo.com
- Since 2014 Austrian Representative at the IASC International Arctic Science Committee iasc.info
- Since 2010 board member of the A.A.S. Austrian Working Group Arctic and Subarctic sub-arctic.ac.at

Other memberships

- APECS – Association of Polar Early Career Scientists apecs.is
- Eastern European Forum of the University of Vienna osteuropaforum.at
- Research Platform Migration and Integration of the University of Vienna migration.univie.ac.at
- Alumni Association of Anthropologists, Uni Vienna

Activities in academic networks

- SSHRC Funded network MinERal (Knowledge Network on Mining Encounters and Indigenous Sustainable Livelihoods/Thierry Rodon, Univ. of Laval, CAN)
- NSF funded network Arctic FROST (Arctic Frontiers of Sustainability/Andrey Petrov, U of Northern Iowa)
- SSHRC funded network ReSDA (Resources and Sustainable Development in the Arctic/Chris Southcott, Lakehead University, CAN)
- SPADE network (Sparsely Populated Areas Demography Research Network/Dean Carson, Umea University and Andrew Taylor, Charles Darwin University, AUS)
- UArctic network on Extractive Industries (Florian Stammler, University of Lapland and Gunhild Hoogensen Gjørsv, Arctic University of Tromsø, NOR)
- INGA network on Gender in the Arctic (Otto Habeck, University of Hamburg, GER)
- Newly established IASSA Working Group "Gender in the Arctic" (coord.: G. Saxinger, J.O. Habeck, G. Hoogensen-Gjørsv)
- NSF funded Research Network for Promoting Arctic Urban Sustainability in Russia (Robert Orttung, George Washington University, US)
- Working Group Multi-local living arrangements and spatial developments at the ARL Academy for Spatial Research and Planning at the University of Hannover (Nicola Hilti, ARL Hannover, GER)
- Scientific collaborations in Russia:
 - Ufa State Petroleum Technology University (UGNTU) in the Republic Bashkortostan (E.Gareev)
 - V.B. Sochava Institute of Geography at the Russian Academy of Sciences in Irkutsk (V. Kuklina, N. Krasnoshtanova)
 - Laboratory for Social and Anthropological Research at the University of Tomsk (Irina Nam and Dmitry Funk, also Moscow State University Lomonosova)

Technical skills

- General IT applications, MaxQDA (qualitative data analysis program), SPSS, Lightroom, Adobe Premiere
- Driving license

Language skills

- German (mother tongue), English (fluent), Russian (advanced), Italian (advanced basic)

Lectures and Conferences

Invited lectures & invited papers, keynotes, community presentations

- 2018 Looking through the multilocality lens: FIFO and LDC work making enlarged social spaces – cases from the Yukon, invited talk at the Second Annual Meeting of the MinErAL Network, Sept-Îles, CA
- 2018 Yukon First Nations: living and working with the mining industry. PolarTalk#1 at the Museum of Natural History, Vienna, AT, in German
- 2017 together with Susanna Gartler, community presentations & book and film release tour, “ The Mobile Workers Guide” and “Mining on First Nation Land” in 7 communities in the Yukon Territory, CAN
- 2017 together with Susanna Gartler, Labour Mobility and Community Participation in Mining in the Yukon Territory – Findings from the “ReSDA-LACE” Project, Brown Bag Seminar Speakers Series, Yukon College, Whitehorse, CAN
- 2017 Hunters and Gatherers in the Industrial World, launch of JEP special issue, Museum for Ethnology, Vienna, AT
- 2017 Arctic and Subarctic. History, Culture, Society – book launch, Association for History and Social Sciences, University of Vienna, AT
- 2016 Unterwegs – Mobile Lives of Petroleum Workers in the Russian Arctic, invited lecture & book launch, Ostblick Conference, Vienna, AT
- 2016 Unterwegs – Mobile Lives of Petroleum Workers in the Russian Arctic, book launch, Museum for Economy, Vienna, AT
- 2016 together with Susanna Gartler: Labour mobility and community participation in the extractive industries: case studies in the Canadian north, invited paper, Sixth Annual ReSDA Workshop, Ottawa, CAN
- 2015 The Arctic Natural Resources Industry - selected aspects from Polar Social Sciences, **key note**, First Central European Polar Meeting, Vienna, AT
- 2015 together with Susanna Gartler: Behind the Scenes in Yukon mining: Work, camp & family life in Yukon mining today, community presentation of LACE project stories and results, Mayo, CAN
- 2015 Mining is mobile – and so are the workers: Labour mobility and community participating in the extractive industries in the Yukon, invited lecture at SCOPE Lunch and Learn by the Interdepartmental Science Committee of the Yukon Territorial Government, Whitehorse, CAN
- 2015 “We also want to mine in 100 years – let’s save the deposits!” Local Ideas about sustainability, invited paper at the Arctic FROST Annual Meeting, European University in St. Petersburg, RF
- 2015 The State of Contemporary Arctic Social Science – introduction to IASSA, invited paper at the EU-PolarNet kick-off meeting, Alfred Wegener Institute, Bremerhaven, GER
- 2014 Mobiles Leben der Fernpendlerinnen in der Erdgas- und Erdölindustrie im Norden Russlands, invited lecture at the Austrian Anthropological Society, AT
- 2013 Labour mobility and community participation in the extractive industries, invited paper, third annual ReSDA workshop, Iqualuit/Nunavut, CAN
- 2013 Together Apart: Long-distance Relationships in the Russian Petroleum Industry of the North, invited lecture at the Northern Anthropological Seminar of MAE, Saint Petersburg, RF
- 2013 together with Elisabeth Öfner: The Russian North Connected: The Role of Long-distance Commute Work for Regional Integration, Conference: Promoting Sustainability in Russia’s Arctic Cities, invited paper, GWU, Washington, US
- 2013 Lives on the Move: Mobile Labour in the Russian Oil and Gas Industry – its relatedness to Europe, invited talk at the opening ceremony of the Austrian Polar Research Institute (APRI), University of Vienna, AT
- 2012 Lives on the Move – an ethnographic approach to LDC in the Russian Petroleum Industry, invited lecture at the Blue Box Seminar, Memorial University, St. John’s, CAN
- 2010 Inter-regional Long-distance Commute Workers in the Russian Oil and Gas Industries – the Community Perspective, invited paper at the Beyond Periphery Conference, Darwin, AUS
- 2010 Intra-regional Long-distance Commute Workers in the Russian “Gaz Capital” Novy Urengoy, invited paper at the Beyond Periphery Conference, Whyalla, AUS

Conference papers

- 2018 Mining in the Yukon – Multilocal lives and multiple meanings of places in the (re)making of a resource frontier and the (un)making of remoteness, Vienna Anthropology Days (VANDA), Vienna, AT
- 2018 Living off the land and working in mines: Fly-in/fly-out rotational shift work and subsistence practices in the Yukon Territory, UArctic Congress, Oulu, FI

- 2017 together with Jelena Tomic, Capturing Mobility through the Multilocality Lens; Cases from Russia and the Balkans, Third CoRe Workshop, Vienna, AT
- 2017 together with Christoph Fink, Olga Povoroznyuk, Peter Schweitzer, Sigrid Schiesser The Baikal-Amur Mainline and Human Mobility: Experiences and Expectations, Third CoRe Workshop, Vienna, AT
- 2017 The Mobile Workers Guide – FIFO and Rotational Shift Work in Mining. Yukon Experiences. ICASS IX, Umea, SE
- 2017 together with Christoph Fink, Olga Povoroznyuk, Peter Schweitzer, Sigrid Schiesser The Baikal-Amur Mainline and Mobility: Experiences and Expectations, AAG American Geographers Meeting, Boston, US
- 2016 Simultaneity and Separation: Understanding the Extractive Industries` Fifo Workers through the Multilocality-Lens, AAA American Anthropologist Annual Meeting, Minneapolis, US
- 2016 together with Joella Hogan and Susanna Gartler, the Living Culture House, The Case of the Na-Cho Nyäk Dun Culture Centre in Times of Global Movements for Cultural Sustainability Arctic FROST Annual Meeting, Vienna, AT
- 2016 together with Christoph Fink and Sigrid Schiesser: GIS Mapping & Anthropology towards visual based analysis and dissemination, Qualitatives Conference, St. Cathrines, CAN
- 2016 Living in a worker´s camp: gated communities in the (Sub-)Arctic´s extractive industries – Yukon and Siberia, Conference of the Society for Applied Anthropology (SfAA), Vancouver, CAN
- 2016 Community participation in mining: a Mobility Companion Guide for early career workers, Western Regional Science Association Conference, Hawaii, US
- 2015 Rotational shift work in the Yukon Territory's mining sector: the Mobility Companion Guide, CHAGS - International Conference on Hunting and Gathering, Univ. of Vienna, AT
- 2015 Dekonstruktionen des Extremen in der Feldforschung (Deconstruction of the extreme in field research), 10th Conference of Social and Cultural Anthropology, Univ. of Vienna, AT
- 2014 Mobile working in the cold: conditions of labour in the Russian Arctic petroleum sector, EASA conference, Tallinn, EA
- 2014 To You, To Us, To Oil and Gas: Symbolic of Materiality and Relations to Mineral Resources in the Russian Far North, ICASS VIII conference, Prince George, CAN
- 2014 Long-distance commuting among petroleum workers in the Russian Far North and their perceptions of the labour conditions, Arctic Frontiers conference, Tromso, NOR
- 2014 together with Elena Nuykina: Vakhtoviki I sex industriya: mify, osvedomlennost' I deystvie (long-distance commuters and the sex-industry: myths, awareness and action), online presentation, Conference: Psikhologiya ekstremal'nykh professiy, Northern (Arctic) Federal University imm. Lomonosova, Archangelsk, RF
- 2014 Community Based Research in the Arctic, Tage der Kultur- und Sozialanthropologie conference, University of Vienna, AT
- 2013 Fly-in/fly-out in the Petroleum Industry of the Western Siberian North and Private Relationships, Conference: In the Spirit of the Rovaniemi Process, Rovaniemi, FI
- 2013 Lives on the Move – that´s odd (!)(?) Constructing Normality: Deconstructing the “problematic” Mobile Workers in the Arctic Petroleum Industry, International Conference on Population Geographies, Groningen, NL
- 2013 together with Elena Nuykina: Vakhtoviki I sex industriya: mify, osvedomlennost' I deystvie (long-distance commuters and the sex-industry: myths, awareness and action). Conference: Arkticheskaya meditsina, biologiya I ekologiya, Nadym, RF (online presentation)
- 2011 Double(d) Lives and Social Spaces of Russian long-distance Commute Workers in the Russian Oil and Gas industry, 110th Annual Meeting of the American Anthropological Association (AAA), Montreal, CAN
- 2011 Seeing Long-Distance Commute Work from an Ethnographic Angle – Russian Oil and Gas Workers on the Move, International Congress of Arctic Social Sciences (ICASS VII), Akureyri, IS
- 2010 Research collaborations as a tool for improving research conditions in Russia. Tage der Kultur- und Sozialanthropologie conference, University of Vienna, AT
- 2010 Labour Migration in the Western Siberian North: Lives and Social Spaces of Long-distance commuters (poster), State of the Arctic conference, Miami, US
- 2010 Vakhtoviki in North-western Siberian Oil and Gas Industries: Social Spaces and Systems of Inequality, IPY Oslo Science Conference, NOR
- 2009 “I cannot live without moving” – Shift-Labour and private Life in North-Western Siberian Gas Regions, Annual Meeting of the Society for Applied Anthropology, Santa Fe, US
- 2008 together with Elena Aleshkevich: State and Shift Labour in Western Siberia, ICASS VI conference, Nuuk, GL
- 2007 Exploring the Construction of Space among Vakhtoviki Life of Commuters in the North-West-Siberian Oil and Gas Regions, conference Knowledge, Creativity and Transformations of Societies,

Vienna, AT

Organization of conference panels

- 2018 Queering Indigeneity: Indigenous Queer Intersections in the Arctic", together with J. Otto Habeck, Rauna Koukanen, Gunhild Hoogensen Gjörv, side event by the IASSA Working Group Gender in the Arctic at the UArctic Congress in Oulu, FI
- 2018 'More than Flight' - A Mentored Young Scholars Session on Refugee Studies, together with Susanne Binder, Elisabeth Pointner, Gabriele Rasuly-Paleczek, VANDA Vienna Anthropology Days, AT
- 2018 Human entanglements with infrastructures: mobility, sociality, and the built environment, together with Olga Povoroznyk and Peter Schweitzer, VANDA Vienna Anthropology Days, AT
- 2017 Change, conformity and practices of resistance in the "cold world", together with Joachim Otto Habeck, Verena Traeger, Tobias Holzlehner, DGV - Conference of the German Association of Anthropologists, Berlin, GER
- 2017 Mobile Working Arrangements in the Arctic and elsewhere: social and regional cumulative effects, together with Doris A. Carson, Sharon Harwood, Hanna K. Snellman, International Conference of Arctic Social Sciences, ICASS IX, Umea, SE
- 2017 Working title: Stakeholder engagement: moving from quantity to quality, together with Annette Scheepstra, Kirsi Latola, International Conference of Arctic Social Sciences, International Conference of Arctic Social Sciences, ICASS IX, Umea, SE
- 2017 Incorporation of Social Science and Humanities in large EU and other projects, together with Annette Scheepstra, Kirsi Latola, Nicole Biebow, Renuka Badhe, ICASS IX, Umea, SE
- 2016 Thinking through Multilocality: Mobility, Place and Time Reconsidered, together with Jelena Tomic, AAA Annual Meeting, Minneapolis, US
- 2015 Roundtable discussion: The Central & Eastern European perspective on current and future Polar Social Sciences & Humanities, First Central European Polar Meeting, Vienna, AT
- 2015 Departures in the Circumpolar North and Siberia", Conference of the German Association of Anthropologists (DGV), Marburg, GER
- 2015 Thriving Futures: Community Based Research and Planning, together with Sharon Harwood and Norma Kassi, CHAGS - Eleventh Conference on Hunting and Gathering Societies, Vienna, AT
- 2015 Food (in-)security in Times of Changing Land and Ways of Life together with Norma Kassi, CHAGS - Eleventh Conference on Hunting and Gathering Societies, Vienna, AT
- 2015 Extractive Industries: Impacts, Benefits and Participation of Local Communities together with Tatiana Safonova, Istvan Santha, Florian Stammler, CHAGS - Eleventh Conference on Hunting and Gathering Societies, Vienna, AT
- 2013 Ethnographic situatedness in the Circumpolar North and Siberia, Conference of the German Association of Anthropologists (DGV), Mainz, GER
- 2013 Labour Mobility and Community Sustainability - The Impact of Extractive Industries in the Arctic, together with Rémy Rouillard, ICASS VIII, Prince George, CAN
- 2011 Commute Work and Mobile Labour in the Circumpolar North, together with Florian Stammler, ICASS VII, Akureyri, IS
- 2011 Cold Culture(s)? Commodification in Circumpolar Communities, Conference of the German Association of Anthropologists (DGV), Vienna, AT

Organization of conferences and symposia

- 2017 International Workshop: "Mobility and Remoteness - what is the connection?" 26-27.05.2017, Vienna, AT, core.univie.ac.at
- 2013 International conference: Contemporary issues in long-distance commute work in the extractive industries and other sectors, 8-10.07.2013, University of Vienna. AT
<https://raumforschung.univie.ac.at/index.php?id=140601>
- 2011 Seminar Day: Sparsely populated areas: economic diversification, mobile labour, community viability and demography – A comparative perspective from Australia, Russia and the EU, 22.09.2011, Department for Geography, University of Vienna, AT
- 2008 International conference: Biography, Shift-labour and Socialisation in a Northern Industrial City – The Far North: Particularities of Labour and Human Socialisation, (collaborative conference with the Tyumen State University in Novy Urengoy [Prof. Galina Dzida] and the Arctic Centre in Rovaniemi FI [Prof. Florian Stammler]), 4.12-6.12.2008 in Novy Urengoy, RF

Media coverage of my scientific work

- Newspapers: Die Presse, Universum Magazin, Salzburger Nachrichten, oe-Journal, Magazin 2012; Austrian Broadcasting Corporation (ORF): Von Tag zu Tag, Wissen Aktuell; Radio Orange; TV: Gazprom TV, Video casts: Sheba Film/ReSDA on youtube, Online: Uni:view, ÖAW Magazine, FWF "Am Puls"; extensive media coverage of the International Symposium on Fly-In/Fly-out work in Vienna 2013

- Podcast: Audimax 9: Cultural Anthropology and Research in the Canadian Arctic (in German)

Publications

Currently in preparation (submissions 2017/ 2018)

- together with S. Gartler (first author) and J. Hogan: Living Culture, Learning Skills, Telling our Stories. The Na-Cho Nyäk Dun's "Living Culture House" as infrastructure for cultural sustainability, *Journal for Cultural Heritage* (submitted October 2017)
- Enlarging the Social Space: Mobility and Multilocality in the Mining and Petroleum Industries, *transfer – Interdisciplinary Journal of Mobility Studies* (submission in March 2018)
- Negotiating "worlds": Living off the land and working in the mines, (submission November 2018)
- Living in a worker's camp: gated communities in the (Sub-)Arctic's extractive industries – Yukon and Siberia, (submission December 2018)
- together with Ch. Fink (first author), S. Schiesser: GIS Mapping & Anthropology towards visual based analysis and dissemination, (submission May 2018)
- together with Ch. Fink (first author), O. Povoroznyuk, S. Schiesser, P. Schweitzer: The Baikal-Amur Mainline and Mobility: Experiences and Expectations, *Polar Geography* (submission 2018)
- together with A. Scheepstra (first author), B. Evengård, B. Parlee, C. Smits, D. Yumashev, K. Bär, L. Suopajarvi, L.M. van der Watt: Improving a transdisciplinary approach in large polar research projects, (submission early 2018)

Monographs

Saxinger, Gertrude

Peer reviewed

- 2016 *Unterwegs. Mobiles Leben in der Erdgas- und Erdölindustrie in Russlands Arktis / Mobil'nyy obraz zhizni vakhtovykh rabochikh neftegazovoy promyshlennosti na Russkom Kraynem Severe / Lives on the Move – Long-distance Commuting in the Northern Russian Petroleum Industry.* With an extended summary in English and Russian. Wien, Weimar, Köln: Böhlau, pp. 206. Hardcover and Gold Open Access, publication grant by Austrian Science Fund [FWF] http://www.boehlau-verlag.com/download/164125/978-3-205-79694-7_OpenAccess.pdf

Eilmsteiner-Saxinger, Gertrude

- 2013 *Mobile Leben der FernpendlerInnen in der Erdgas- und Erdölindustrie im Norden Russlands* (Mobile lives of long-distance commute workers in the Northern Russian gas and oil industry), doctoral thesis: University of Vienna, pp. 277. http://othes.univie.ac.at/28840/1/2013-05-09_9220512.pdf
- 2004 *Systeme von Ungleichheiten - Lebensplanung und Zukunftsperspektiven von Moskauer StudentInnen* (Systems of inequalities – life plans and future perspectives among students at universities in Moscow), diploma thesis: University of Vienna, pp. 210. http://othes.univie.ac.at/15402/1/Systeme_von_Ungleichheiten_Diplomarbeit_Eilmsteiner-Saxinger.pdf

Non peer reviewed

Saxinger, Gertrude

- 2017 together with Gartler, Susanna *Mobile Workers Guide: coping with FIFO and rotational shift work.* (popular science outreach) Online publication fifoguide.jimdo.com, 64 pp.

Eilmsteiner-Saxinger, Gertrude

- 2008 together with Niederberger (first author)/Stadlmayr/ Aleshkevich/Lentner *Bildungsstruktur am Schwarzen Meer* (Educational structures in the Black Sea region), Linz: Institut für Berufs- und Erwachsenenbildungsforschung/Johannes Kepler University. pp. 108

Peer reviewed edited volumes

Saxinger, Gertrude

- 2016 together with Taylor, A. (first editor), Carson, D., Ensign, P., Huskey, L., Rasmussen, R. (eds.), *Settlements at the Edge: Remote human settlements in developed nations.* Edward Elgar Publishing, pp. 488.

Peer reviewed special issue

Saxinger, Gertrude

- 2016 together with Seidl, G., Hakami, Kh. (eds) "Hunters and Gatherers in the Industrial World". In: *Austrian Journal of Development Studies*, Special Issue, vol. XXXII 4-2016.

Peer reviewed journal articles

Saxinger, Gertrude
